STATINTL

1. On 13 February 1980 I received a call from [REDACTED], Special Assistant to the Director requesting information on the changes in the titles of the four directorates from 1947 to the present time, preferably in chart form. In addition to the directorate title changes, he also requested information on the focus or emphasis of each directorate along with significant events or ideas mentioned for the period.

2. [REDACTED] had a copy of Book I of the Church Committee report which he found helpful but not extensive enough for his needs. It was suggested that he look at Book IV of this report which contains the history of the CIA along with organizational charts.

3. It also was recommended that Ray Cline's book, Secrets, Spys, and Scholars might be helpful. (Copies are available in the Historical Intelligence Collection and/or the CIA Library.) I also sent him a copy of the CIA History Staff Chronology, 1946-65, Volumes 1 & 2.

4. If, after using these resources, [REDACTED] has any further specific question, he will give CIA/HS a call.
